

Credits Page

Acknowledgment

Paw Uni was inspired by my rescued American Akita dog "Sacha".

Images

Sacha and myself (2024).

This photograph of Sacha and myself was taken in 2023 and all other images and logo are of my creation that were generated via artificial intelligence MidJourney.

Video

Video frame

This video of Sacha was taken in 2023 and Paw Uni video code (see below) was from w3schools.

```
<video width=\"640\" height=\"360\" controls>  
  <source src=\"../assets/images/introduction-to-training.mp4\"  
  type=\"video/mp4\">  
</video>
